About the classes

- Class size will be approximately 4-7 students, 55 minute-long, and once a week.
- We will explore holidays, spirituality, sacred questions, Hebrew, blessings, the Torah, and other sacred writings.
- Field trips: at least one live trip to the Kotel and likely others!
- There will occasionally be amazing guest educators with specific and relevant expertise.
- We will foster a love for the tradition and for the quest of learning about life, the world, and ourselves.
- We will have fun and grow friendships with other Jewish kids.
- I often leave the zoom open after class for the children to socialize and hang out.
